最低畢業學分：128 學分 Minimum for Total Credits: 128 Credits

註：

1. 上列**專業選修**科目，自行網路選課，低年級除特殊情況經系主任同意者外不得修習高年級課程。
   The above professional elective courses should be selected online by the students themselves. Lower-year students are not allowed to take upper-year courses unless special permission is granted by the department chair.
2. 本系畢業學分為 128 學分，必修 74 學分、選修 54 學分。
   The total graduation requirement for this department is **128 credits**, including **74 required credits**, **54 elective credits.**
   甲、選修學分得為各系所之專業課程，建議以本系專業選修課程優先。
   Elective credits may be fulfilled by taking professional courses offered by any department or graduate institute; however, it is recommended that students prioritize the professional elective courses offered by this department.
   乙、本院訂有跨院系學程、就業學程等，鼓勵可依相關辦法選修。
   This College offers various programs, such as Intercollegiate and Interdepartmental Programs and Employment Programs. Students are encouraged to select and enroll in these programs in accordance with the relevant regulations.
3. 選修科目，本系得視實際需求修訂之。
   The elective courses may be revised by the department as needed.
4. 專業必修課程第一次修習於本系修課，再次修習可在本院各系修習同名之課程。
   The first time a student enrolls in a required professional course, it must be taken within this department. For subsequent enrollment (retake), the student may take the same-titled course offered by any department within this college.
