Minimum credits for minor major: 24Cs

說明：1. 本系雙主修應修滿本系專業必修課程 27 學分及專業選修課程 15 學分。

Double majors in this department should complete 27 credits of compulsory courses and 15 credits of professional elective courses.

2. 修讀雙主修之學生，除應修滿主系規定之必修科目與最低畢業學分外，

並須修滿加修系所規定之專業必修課程及專業選修課程。若有加修系之科目或教學內容與主系相同者得免修，但至少仍須修畢加修系所規定之專業必修課程及專業選修課程學分數之三分之二，始准取得雙主修畢業資格。前項所稱最低畢業學分及必修科目與學分，依申請學生入學年度報部備查之課程為準。

Students majoring in double majors must not only complete the required courses and minimum graduation credits specified by the major department, but also complete the required professional courses and professional elective courses specified by the additional major department. If the subjects or teaching contents of the additional department are the same as those of the major department, they will be exempted from the courses, but they must still complete at least two-thirds of the credits of the required major courses and professional elective courses specified by the additional department before they can obtain the double major. Graduation qualifications. The minimum graduation credits and required subjects and credits mentioned in the preceding paragraph shall be based on the courses reported to the department for reference in the year of admission by the applicant.

3. 修讀本系為輔系之學生，應修滿專業必修課程 15 學分及專業選修課程 9 學分，但主系與輔系之相同科目學分，不得兼充為輔系之科目學分。

   Students studying in this department as a minor department should complete 15 credits of compulsory major courses and 9 credits of professional elective courses. However, the credits of the same subjects in the major department and the minor department cannot be used as subject credits in the minor department.
